To Whom It May Concern,

Southern United Neighborhoods, in conjunction with our sister organization, A Community Voice is hosting a housing, jobs, health care and small business fair for residents interested in owning their own homes, fixing their own home, buying rental property and receiving information on needed social services. SUN's program is certified through the Louisiana Homebuyers' Collaborative and assists those who attend our First-Time Homebuyers' Classes with obtaining bond money through the City. Our rehab program has repaired over 20 homes in partnership with the City of New Orleans Office of Community Development.

Our annual housing fairs:

- *supports one to one credit counseling
- *supports special programs for low income families including free housing rehab and annually connects over 1000 families to affordable housing programs
- *provides annual grassroots outreach to over 300,000 families, with information about our programs and of our sponsoring organizations
- *connects residents to area businesses

Southern United Neighborhoods (SUN) will host the special Housing, Jobs, Healthcare, and Small Business Fair, Saturday July 26 from 10am to 2pm at St. Paul Catholic Church 6828 Chef Menteur Highway.

This event will draw over 300 low to moderate income families who are interested in receiving information about affordable housing programs, available job opportunities, healthcare and social services available in their community.

As an organization and business that the community needs to know about and participate in, we would very much appreciate your sponsorship of the upcoming fair. Sponsorship of the fair includes: literature and a table at our event, listing as a sponsor in all publicity, including media, flyers, and other outreach vehicles to churches, schools and PSAs.
